# Sigma Nu Fraternity

Theta Iota Chapter

The Theta Iota Housing Corporation is the legal non-profit, 503(c)7 entity that holds the legal title and acts as official landlord of the chapter home on MTSU's Greek Row. Its responsibility is to manage the Sigma Nu Housing Fund which is administered by the MTSU Educational Foundation. Its goal is to provide the necessary resources to maintain and improve the general fraternity property as well as fund alumni sponsored scholarships to active collegiate members of Sigma Nu.

The members of the corporation are Sigma Nu alumni who are in good standing with the Theta Iota Alumni Chapter. Each official is elected by Alumni Chapter members every homecoming at the annual corporation meeting.

As stated in the corporation's bylaws, funds can only be used for house repairs, improvements, furnishings, and collegiate scholarships. The officials of the corporation are the only members who have access to the educational fund. As a result, active chapter members cannot use these funds for any purpose not outlined above.
